

PUBLIC NOTICE - RAAHU

Raahu wishes to inform all current and prospective users that we are a fully licensed and certified liquidity mining platform.

Our platform enables users to earn daily profits through secure, transparent, and decentralized investment mechanisms.

We strictly adhere to industry standards and compliance practices to ensure the safety of your funds and the integrity of our operations.

All data and transactions on Raahu are protected through advanced blockchain-based protocols.

Important:

Raahu does not authorize any third-party agent or representative to collect money or conduct investment on behalf of the company. Please invest only through the official Raahu platform (<https://raahu.live>).

Stay Informed, Stay Secure.

For queries or concerns, reach out to our support team through official channels only.
